### R.A.O.U. Central Room.

IN connection with the gift of £1,000 for the purpose of providing a central meeting place for members of the Royal Australasian Ornithologists' Union, three trustees have been appointed—namely, Dr. J. A. Leach and Messrs. Z. Gray and A. H. E. Mattingley.

The trustees expect soon to secure a suitable room. In the meantime, it is hoped that members will consider the question of furniture for the apartment. Cabinets, tables, chairs, bookcases, linoleum, and other articles will be required. Those who are willing to help are asked to communicate with the hon. secretary of the Union, stating what form their donations will take.

The Union possesses a valuable library, which will be housed in the central room, and in time it is confidently anticipated it will contain also a large series of specimens, skins, eggs, and nests.

Further details will be given in the next issue of *The Emu*.

IN view of the keen demand for back numbers of *The Emu*, the Council has decided that the price for parts from vol. v. onward shall be 4s. each to non-members, and 2s. to members. Vols. i., ii., and iii. are out of print; the parts of vol. iv. will be supplied at 6s. each.
