

## Annual Congress and Camp-out

The Congress will commence in Hobart on Monday, October 31, at 3 p.m., and will continue in conjunction with visits to places of interest around Hobart until Thursday, November 3, when the party will leave for Coles Bay and camp for some days. In addition to the formal business at the Congress, it is hoped that time will permit members to visit places of interest in the vicinity of Hobart, and, if possible, an excursion will be arranged to the National Park.

The site chosen for the Camp is a picturesque bay on Freycinet Peninsula, where Mr. H. Parsons has established a permanent tourist camp, and caters in a very able manner for visitors. Should the number exceed 30, it will be necessary to make use of tents in addition to the permanent accommodation which is provided at the camps. The camp includes dining room, kitchen, etc. The permanent tents have iron roofs.

With regard to travelling concessions the following rates will probably apply:—
