CORRIGENDA

- Page 70, right-hand column, line 4 and footnote: for *Sphenaeus* read *Sphenoeacus*.
Page 91, right-hand column, line 32: for *Thalassoica antarctica* read *Fulmarus glacialis*.
Page 101, Last four lines under B. *Non-cacatuine* (Feeding-Pause Vocalization et seqq) transfer to A. *Cacatuine*.
Page 129, left-hand column, line 38: for *A. striata* read *A. lineata*.
Page 131, Appendix 1, right-hand column, line 9: for *Meliphaga novae-hollandiae* read *Meliphaga chrysops*.
Page 167, left-hand column, line 22: for *marei* read *mariei*.
right-hand column, line 21: for *Manorhina* read *Manorina*.
right-hand column, line 54: for *gilberti* read *inornata*.
